February Newsletter
2012

3 year old class

Last month we had a wonderful time talking about our new season of winter. The children enjoyed our unit on snow and snowmen. We found out about penguins and how God made them special. We've been working on a class book called Knock, Knock Once More and when it is finished each child will have an opportunity to bring it home and share it with their family. Blank pages will be provided in the back of the book for you to write a comment or note to the class about how you liked our book.

In February, we will discuss Jesus' love for each one of us. Activities will include songs, fingerplays, and art projects about love, family, and friends. Each child will bring in a picture and tell us who is in their family. We will also start to practice our full name.

Please continue to help your child work on self-help skills like putting on coats, zipping, and putting on hats, gloves, or mittens.

Unit: Love, Family, Friends

Verse: *This is my command : Love each other.* John 15:17

Holiday: Valentine's Day

Color: Pink

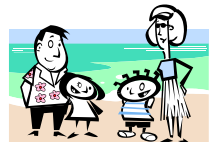

Shape: Heart

Nursery Rhyme: Hickory Dickory Dock, Hey Diddle Diddle

Skills: Continue fine motor activities, patterning, sorting, and saying full names

Special Activities:

- * Decorate heart for shape tree.
- * Bring in a picture of your family on February 16th or February 17th.
- * Please send in a cereal box by **February 2nd or 3rd**. We will be making our Valentine's boxes with them. Put your child's name on the bottom. Thank You!
- * **Mailing Valentines-** If your child would like to exchange Valentine's cards with the class, they may bring them to school on party day. We will be "mailing" them in our own individual mailboxes. A class list is attached for you to address the envelopes with our friends' names. Parents can help assist their child "mail" their valentines first thing on their party day.

***Valentine Parties**
