

BIG NEWS!

In April of 2007, CrossPoint Church ventured into multi-site ministry by launching a second campus @ South Hanover. We have a very welcoming and highly contemporary atmosphere. Worship is cutting edge, the music is based on some of today's best Christian artists and the space is inside of an elementary school. By all accounts it has been a success!

However, in recent months it has become apparent that we need a new space. After a great deal of research, prayer and planning, we are considering a very non-traditional setting. A proposed plan is to open a non-profit coffeehouse at the Meadows Marketplace (on Rt. 39) where we can do outreach and worship all week long.

It's really exciting stuff and we would like to hear your thoughts. Shortened copies of the Vision Proposal (15 pages) are available in all worship spaces and the complete proposal (120 pages) is available for download on the web at www.xpointumc.org/?page_id=41.

You are invited to attend any one of our Listening Sessions where you will hear more about the vision and you will be asked to share your thoughts and give your input on this new plan for South Hanover. Also we will have Prayer Sessions @ Colonial Park and the Meadows Marketplace to ask God for guidance. Finally, we will have group trips down to Washington, DC to visit Ebenezer's Coffeehouse, the model for this proposed plan.

Please see the back of this flyer for the dates, times and locations of these Listening Sessions. We want you to be well-informed about this plan before we, as a church, vote on it at Church Conference on December 6, 2010.

We hope to hear from you!
